

**Webinar on English as a Medium of Instruction (EMI)  
Save the date - April 9, 2025**

**EMI in action: trends, innovations, and future directions for global education  
in English at universities**

We are excited to invite you to an engaging and informative webinar focused on the latest trends, innovations, and future directions of English Medium Instruction (EMI) in higher education. Join us on **April 9, 2025**, for a day of insightful discussions, practical strategies, and collaborative workshops designed for academic teachers who are running courses in English.

**Programme highlights:**

- **Plenary session:** gain insights from leading experts on the evolving role of EMI in higher education.
- **Presentations session:** learn from case studies and research on effective EMI approaches from universities worldwide.
- **Workshops session:** participate in interactive workshops, equipping you with practical tools and strategies to enhance your EMI courses.
- **Final remarks:** wrap up the day with key takeaways and future directions.

**Target audience:**

Academic teachers and educators who run courses in English at universities and want to stay ahead of trends and innovations in EMI.

**Mark your calendars and stay tuned for more details on how to register!**

We look forward to your participation and to exploring the future of EMI together.
