### Let's talk

This conversation shows the sample of helpful and polite communication between an Erasmus student and administrative staff, ensuring clarity and support.

**Student:** *Good morning! I'm an Erasmus international student, and I need to finalize my course registration. I've already chosen my courses online, but I'm not sure if everything is confirmed.*

**Staff:** *Let me check your registration status in the system. Can I have your student ID or registration number, please?*

**Student:** *Sure, my ID is number is 0000000*

**Staff:** *Thank you. Let me have a look... Yes, I can see your selected courses. However, it looks like one of your courses still needs approval from the faculty coordinator.*

**Student:** *Really, I didn't realize that. So, what should I do next?*

**Staff:** *You'll need to contact the faculty coordinators for that course to get approval. You can either email them directly or visit their office during office hours. Once they approve it, your registration will be completed.*

**Student:** *Ok, I got it, thank you. Do you know where I can find the coordinator's office or contact information?*

**Staff:** *Well, I can provide that. The coordinator for your course is Professor Johnson, and his office is in Building A.11, room 111. You can also reach him via email at [j.johnson@put.poznan.pl](mailto:j.johnson@put.poznan.pl)*

**Student:** *Fantastic, I'll get in touch with Professor right away. Thank you for your help.*

**Staff:** *You're welcome. If you need any further assistance or have other questions, feel free to come by or give us a call. Good luck with your courses.*

**Student:** *Thank you so much. Have a nice day.*

**Staff:** *You too.*
